As of Noon today -- Saturday, Feb. 11 -- the following people are planning to attend a "planning meeting" in your office at 10:00 a.m. on Monday:

1. Nancy Newman
ERA Chair
League of Women Voters (LWV)
2. Arlie Scott
Vice President for Action
National Organization for Women (NOW)
3. Mildred Jeffrey
Chair
National Women's Political Caucus (NWPC)

We've received no response from the Business and Professional Women, but hope to hear by 9:00 a.m. on Monday.

ERAmerica will not be represented as Sheila Greenwald and other organization representatives all have previous commitments for that time.
